"And Jesus said to him, 'Go your way; your faith has made you well.' And immediately he received his sight and followed him on the way." (MARK 10:52) - Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don't happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God's active presence in your daily life. You will begin to develop an attitude of gratitude.

WELCOME

Resurrection welcomes Congresswoman Jasmine Crockett, D-Texas, a fierce and eloquent spokeswoman for our democratic principles and the role of government in building the beloved community. Representative Crockett, is a St. Louis, Missouri native and graduate of Rosati-Kain Catholic high school in St. Louis! Welcome Representative Crockett!

ALL SAINTS DAY

All Saints' Day is a solemn holy day of the Catholic Church celebrated annually on November 1. The day is dedicated to the saints of the Church, that is, all those who have attained heaven. It should not be confused with All Souls' Day, which is observed on November 2, and is dedicated to those who have died and not yet reached heaven.

Although millions, or even billions of people may already be saints, All Saints' Day observances tend to focus on known saints --that is those recognized in the canon of the saints by the Catholic Church.

All Saints' Day is also commemorated by members of the Eastern Orthodox Church as well as some protestant churches, such as Lutheran and Anglican churches.

Generally, All Saints' Day is a Catholic Holy Day of Obligation, meaning all Catholics are required to attend Mass on that day, unless they have an excellent excuse, such as serious illness.

https://www.catholic.org/saints/allsaints/

Mass will be celebrated at 10:00 a.m. with the school community and at 6:00 p.m. on Friday, Nov. 1.

SPIRITUAL REFLECTION

October is from the Latin octo, which means "eight". The number "eight" is said to be a symbol of wealth, prosperity, peace and fertility.

Father, before this October ends, we look forward to receiving your blessings that come because You have seen it fit for us to witness another October. Amen

RESPECT LIFE

"Palliative care and hospice are precious and crucial instruments in the care of patients with serious and complex chronic or terminal illnesses and they help provide comfort to both the patients and their families. While Palliative care cannot entirely eradicate suffering from people's lives, it provides an authentic expression of human and Christian care, allowing us to 'remain' at the side of a suffering person, as the Blessed Mother and the beloved disciple remained at the foot of the Cross. The path of accompaniment until the moment of death must remain open with appropriate care for body and soul customized to the personal needs of the patient."

~ USCCB Secretariat of Pro-Life Activities - "The Witness of the Good Samaritan: Palliative Care and Hospice

We pray for the sick, suffering and those near death may they receive adequate care which embraces their physical, psychological and spiritual needs as they journey toward eternal life.

Praver for Our Country. Faithful citizenship demands that we inform all our civic and political decisions in light of the values of our faith and the best values of our democracy. The gospel of Jesus of Nazareth on which the Catholic principles of social justice are rooted demands we reject any persons and systems which dehumanize others based on race, ethnicity, religion, gender, sexual orientation. physical abilities, language or place of birth. We gather on Monday, November 4 at 6:00 pm to ask our God to grant discerning wisdom and prudence to all who will exercise the franchise, secured with the blood of martyrs, on November 5. Heal our Land, Lord as we strive to act justly, love mercy and walk humbly as faithful citizens.
